### Edge of Seven: Celebrating 7 Years

#### WHO WE ARE & WHAT WE DO

Edge of Seven is a Denver-based 501c3 organization focused on breaking down barriers to girls' and women's education in the rural developing world. The NGO builds infrastructure such as classroom buildings, women's resource centers, toilets and other structures that help young women get an education and raise their families out of poverty. Currently the organization works in Nepal and East Africa. Established in 2010 by founder Erin Subedi, the organization is celebrating 7 years of success and growth this year with its annual event scheduled for September 29, 2017 in the RiNo District of Denver. The fundraising event will include opportunities for supporters, high-profile guests, and sponsors to share in the life changing work of the organization.
